

Spring Visual Hunt

We are not allowed to take anything from the park, but we can explore our surroundings with our senses. Let's see what we can find!

- A hairy vine... don't touch it!
- A plant with thorns
- Something that changes so slowly we do not even notice
- Evidence of last year's wildflowers
- A dead tree
- Food for the deer
- A flower that is ready to bloom
- Something a bird could use to build a nest
- A squirrel's home
- Place for a bird to take a bath
- Evidence of a woodpecker
- A place that we may find slugs and snails
- Something unnatural
- A four-legged animal
- A bird that is singing
- Very old tree
